

# sat testing

March 8 – 12

Next week we begin our SAT testing in grades first through twelfth. SAT's will be giving during the morning. This test is given to see the students' overall knowledge of their subjects. The tests are sent out to be graded and "charted." You will be receiving the test results of your student as soon as we receive them. We usually receive them in late May or June.

As a reminder, please make sure your child eats a good breakfast and is well rested for these tests. It does help their overall ability in taking the tests. Also, you may send in a "nutritious" snack for them. They will have a break time to be able to eat their snack and have a drink. We also want to remind you to check and make sure your child has #2 pencils for the tests. (Mechanical pencils are not allowed.)

Please pray for our students during this week that they will do well on these tests and will remember the things they have learned.

## LPCS WEBSITE...

If you have the internet at home, check out the school's website at [www.lpchristian.org](http://www.lpchristian.org). On it you will find take-home notes, homework, *Soldier Salute*, and other information. You may also click on the link to e-mail teachers and staff with any questions or concerns.

Let us know if you have any problems with the website or if you have any suggestions for us in regards to the website.

Forms for this clinic are being sent home. If you would like your child to receive his/her shots at school, please fill out the form and turn it in to the school.

In the last *Soldier Salute* we mentioned about the projected deficit for this year (\$12,000). We want to thank everyone for their prayers regarding this matter. We see the Lord answering your prayers. He has sent us three new students (WELCOME!) and also encourages us daily through your prayers. Keep praying for this need. Your prayers are heard!
